

Dear SMHCS Registered Nurse,

Please find the Professional Nursing Career Ladder attached. Your Professional Practice Council has worked very hard on this program. We are now in the 4th version of the application. We would like to thank you for providing us with feedback so we can continue to make the program even better.

The career ladder program is a great way to be rewarded for enhancing and developing your professionalism as a Registered Nurse. Within the career ladder you can be rewarded for being a member of a professional organization, completing research, and precepting to name just a few. How exciting and empowering to be a part of such important activities. What a great opportunity to learn more about your specialty, network with colleagues, answer nursing's greatest questions, and have a profound impact on the career of a new nurse.

The career ladder is your opportunity to show case your accomplishments for the year. We hope you will consider applying for the career ladder. We are here to support you each step of the way. Please contact a member of the Professional Practice Council with any questions.

Sincerely,

Your Professional Practice Council

3	20	5	10
4	30	6	10

Please note that if you are completing a research project that is NOT part of your qualifying points you may receive more than 4 or 10 points in category 4.

DIRECTIONS:

1. Be sure to review your application carefully and include **all evidence** at the time of submission. We encourage you to have your portfolio proofread by a member of the council. **ALL FORMS MUST BE COMPLETED AND SUBMITTED WITH THE APPLICATION.** There will be NO opportunity to submit additional evidence.
2. All supporting evidence/data for the application must be within the 12 months prior to the application date.
3. Application format: Please type or print and use a 3- ring binder. Place qualifying requirements in the front. Separate each category with a divider and then include supporting evidence after each category's divider.
4. Have Clinical Manager/Clinical Coordinator initial application validating RN experience (**MUST BE WORKING UNDER THE RN JOB DESCRIPTION**), length of employment at Sarasota Memorial Healthcare System, Meets Criteria on current performance evaluation, and satisfactory peer reviews **ALL** contact hours **MUST** be nursing related. SMHCS contact hours are acceptable. **INCLUDE CONTACT HOUR CERTIFICATES FOR VERIFICATION.**
5. Have your DIRECTOR and/or the NURSING RESEARCH AND EPB COUNCIL chair or co-chair sign and date each applicable line for projects in category 4 and 5. Submit **ALL** Project Forms with the completed application. Project forms are required for both qualifying projects and projects used for points.
6. Complete a Committee/Council/Resource Team Verification Form for each committee/council/resource team (a separate form for each committee). (This includes committees/council/resource teams for qualifying criteria AND for points).
7. Submit all other supporting evidence as indicated in the application.
8. Submit signed and completed criteria checklist with application.
9. Submit the completed application to Education and Clinical Practice Department, *Attn: Professional Practice Council*. Applications are due the 1st-15th at noon the month you are submitting (January, April, July, or October).
10. **REMEMBER:** All levels require qualifying contact hours and Committee/ Council/ Resource Team activity (and/or a project) as stated on application form. Qualifying activities are worth **NO** points.
11. Application will be accepted & reviewed by the Professional Practice Council on a Quarterly basis.
 - **Achievement/ incentive will be paid in the 1st pay period of following month.**
13. If you have a dispute with the outcome of your application and would like to grieve the result you may set up an appointment with the council the week after the results are given. The grievance panel will be made up of at least 3 members of the council and will review the application as well as any concerns the applicant has. Meeting with this panel does not guarantee an over rule of the original decision.

Please remember that the Professional Ladder for Registered Nurses is continually reviewed by the Professional Practice Council and is subject to change based on the council's authority and fiscal responsibility.
